

BACK TO THE FUTURE THE MUSICAL

Lesson Objective: To explore the social & cultural context of Back to the Future The Musical.

Read the following short synopsis of
Back to the Future The Musical.

*The start of the musical is set in 1985. Marty McFly is a teenager with grand ambitions to be a musician. His friend Doctor Emmett Brown has invented a time machine, from a DeLorean. Marty ends up travelling back in time to 1955 and meets his mother and father when they were at school. He has to get back to 1985, but also has to make sure that his parents fall in love, or “the consequences will be disastrous”. Will he make it **back to the future**? Only Doc Brown can help....*

Discussion Task - What are your first impressions? What adjectives would you use to describe them?

EIGHTIES OR FIFTIES?

- 1) Divide the class into two groups.
- 2) Give one half of the class the Back to the Eighties Handout (Section 1: p.18) and the other half of the class Back to the Fifties (Section 1: p.19)
- 3) Let them read, highlight and discuss the contextual information of the handout for 10 minutes.
- 4) We are going to play 'Eighties or Fifties'. The teacher reads out the following statements and students must stand up and say either 'eighties' or 'fifties', depending on which decade they think it applies to.
